

Van Gogh, Galileo, and Friends:

Arts and Sciences in Klondike Park

HWY 94 South, Defiance, MO

Saturday—October 17

The **St. Charles County Parks**, the **Arts Council of St. Charles County**, and the **Alliance for Astronomy** invite you to spend the afternoon and evening visiting with artists and purchasing their art, participating in the **Arts Council's "Sunny Days"** and **"Starry Nights"** arts happening for kids, enjoying performing artists while picnicking, learning about astronomy, and savoring the beauty of the night sky through telescopes. While you are in the park, hike the trails, fish, and go bird watching. Consider visiting the wineries and appreciating the fall foliage along Highway 94.

Klondike Park is approximately 14 miles south of the Highway 40/94 interchange. Take Highway 94 south and pass the Busch Wildlife Area and the town. Turn left into the park before reaching Augusta.

Bring a picnic supper and beverages and enjoy the beautiful setting and performing artists. Then stay for the star party with the **Alliance for Astronomy** in a location just made to watch the heavens. Your time at Klondike Park will be unforgettable.
