The *Arts Council of St. Charles County* is an advocacy organization focused on support for, and providing information about, the arts in St. Charles County, Missouri. The Arts Council’s purpose is to encourage and develop the arts by creating public awareness of county arts activities; to foster communication among visual, performing, and literary arts groups; to work for common goals in the interest of community art development; to sponsor meetings, exhibits, workshops, cooperative displays, art shows; and to aid individual members and organizations in their efforts to create art awareness and activities in the county.

We hope to see you at Missouri’s most elegant winery - Chandler Hill Vineyards!
